First Step: Decide how much you would like to donate

You may donate up to the maximum set by the state or your actual tax liability, whichever is less. The maximum for tax year 2020 is below.

Tuition Tax Credits	Original Credit Maximum	Switcher Credit Maximum	Tuition Credits Maximum
Married Jointly	\$1,186	\$1,179	\$2,365
Individual	\$593	\$590	\$1,183
Tax Forms	323 / 301	348 / 301	323 / 348 / 301

If you are uncertain what your liability is, you can look at last year's tax form. If you want to be more precise, you can complete your taxes on TurboTax® without making a donation to see what your liability is. Then, rework TurboTax® to reflect your donation.

Keep in mind that your state tax liability is not always what you owe when you file your taxes - it is the total amount you would owe if you didn't pay taxes throughout the year. Provided you stay within the combined maximum provided by the state (\$2,365 filing jointly and \$1,183 filing single) for your donation, you can carry forward any unused tax credits for up to an additional five years.

Next Step: Make your donation to the Arizona Private School Tuition Organization (APSTO)

There are three easy ways to donate:

- ✓ Online at our Donor Portal
- ✓ By Phone: (480) 256-1001
- ✓ By mailing in our Donation Form

The process is simple and will only take a few minutes. You can access our online donation portal or mail in the donation form by visiting us at APSTO.org. You can recommend a specific student(s) or school(s) to receive your donation funds.

Final Step: Claim your credit

As you progress through the software program for state taxes, you will come to "School Tax Credits". You will need to check the 3rd box indicated for "Private Schools" in this section:
